

*Creating Opportunities
Building Futures*

Brazeau Well Servicing, a Business Unit of Essential Energy Services Operating Corp., commenced operations in 1999 specializing in the operation and deployment of service rigs, rod rigs and related support equipment. Service rigs perform production/workovers and completions on existing and new wells. Brazeau has facilities located in Drayton Valley and Grande Prairie, Alberta, and operates in northern Alberta and northeastern British Columbia.

Essential Energy Services Trust units trade on the Toronto Stock Exchange under the symbol ESN.UN.
